December 16, 2014 -- Clinic with a Heart to Add New Mission Team

Clinic with a Heart, a free clinic to those in need, is pleased to announce that beginning in January, an additional night of service will be added to the clinic schedule. CHI Health St. Elizabeth, along with members of the Catholic community, are sponsoring a team to provide urgent health care services on the first Monday of each month. The first night of service will be Monday, January 5, 2015.

In 2011, CHI Health St. Elizabeth began offering specialty care at the clinic one night a month. This will be the second night of services sponsored by CHI Health St. Elizabeth.

“To help meet the needs of the Lincoln community, we have organized a second night of service at Clinic with a Heart. We have recruited members of the Catholic diocese as clinic volunteers. Nurses and physicians on our staff are volunteering to provide health care services,” says Libby Raetz, VP of Nursing Services and Chief Nursing Officer of CHI Health St. Elizabeth.

Executive Director of Clinic with a Heart, Teresa Harms, adds “this additional night of service is such a blessing in helping to meet the needs of people in our community who are uninsured or underinsured. We are grateful for this partnership.”

Please visit www.clinicwithaheart.org for a clinic schedule.

About Clinic with a Heart

Clinic with a Heart offers free clinics to assist people without insurance or who are underinsured. They assist patients with their immediate health issues and help patients find a medical home for long-term health management. Services provided include medical, dental assessment, chiropractic, physical therapy, mental health assessments and vision screenings and exams, hearing screening and spiritual care. Funding for Clinic with a Heart comes from mission team sponsors, corporate sponsors, individual donors, churches, grants and events.
