CLINIC WITH A HEART TO HOST 3RD ANNUAL CHARITY GOLF TOURNAMENT

The 3rd Annual Clinic with a Heart Golf Tournament will be Monday, August 29, 2011 at Firethorn Golf Club. Proceeds will be used to help our volunteers continue to provide free healthcare to people without insurance or who are underinsured.

This year we expect several high profile players to join us. The tournament is becoming such a popular event that the field was full within a few weeks of announcing the tournament. Check-in begins at 11:30 a.m. and a shotgun start at 1:00.

Clinic with a Heart offers free clinics each month on Tuesday and Thursday evenings. Clinics assist people without insurance or who are underinsured. We assist with patient's immediate health issues and help them find a medical home for long-term health management. Services provided include dental assessment, chiropractic, physical therapy mental health services and vision screenings and exams. Funding for Clinic with a Heart comes from mission team sponsors, corporate sponsors, individual donors, churches grants and events like this.
